

SeaLife 150N SOLAS Lifejacket

Reference#

SeaLife 150N Solas Lifejacket

Our SeaLife 150N lifejacket meets all requirements of the latest IMO SOLAS LSA Code. It is lightweight, compact and space-saving. It can be stored on board in small cabinets. The storage space required is 30-35% less than most other comparable lifejackets. Emergency lights are optional when ordering, but mandatory for compliance with SOLAS requirements.

Facts

- SeaLife has a practical, compact and spacesaving design, which makes it suitable for storage in onboard cabinets
- Easy to don
- Waist webbing may be used as lifting strap in a rescue operation
- Reflective patches (8 pcs) approved in accordance with Solas-requirements
- Pocket for emergency light*
- Adjustable chin strap for correct position of head in water
- Securely attached whistle
- Easily adjusted waist webbing
- Floating buddy line in separate pocket
- The volume is 30 to 35 % less than most of other lifejackets
